#### Variety Revue

Consisting of Pretty Girls, Blackface Delineators, Comedians, Singing and Dancing.

A great number of our patrons told us when the last troupe was here that they liked it, but there wasn't enough of it. Well, we have plenty for you this time—the entire program will be vaudeville—no pictures—and it will be plenty long. We have been led to believe that this is one of the best troupes in this section.

Call "W. O." early for a reserved seat, Phone No. 81.

There will be an entire change of program each and every night.
